Intended Use NFPA should be used as a model standard for smoke control system installation in commercial and industrial facilities. It serves to provide a consistent set of guidelines for smoke control equipment design and installation, and has proved to be a valuable design tool. II. Content and Scope The standard specifies system hardware, installation procedures, personnel protection, system function, smoke control equipment, thermal management, and fire protection for commercial and industrial fire protection systems. Even second placed Man City were given a fright by Liverpool which no doubt brings that unwanted instability to the Citizens own game. Hotdog humor is the best comedic timing. You might get a bit of a laugh if you say something that is not funny. But if you say something that is an absolute comedic genius, you will get so many laughs, it will drown out those negative ones. My top three hotdog pieces that make me laugh: Colin Cowan - The Great Goalkeeper Debate - I forget which team it was, but this is the funniest hotdog story I have ever heard. You can see the video here. Horse Racing - there are lots of hotdogs, some better than others. On this episode of Horse Races, Emma and I look at some of the race winners of the Belmont Stakes. With a trifecta for the hotdog
